

STERAMIST®
POWERED BY BINARY IONIZATION TECHNOLOGY®

ENSURE YOUR **LUXURY EXPERIENCE** THROUGH POWERFUL DISINFECTION

Disinfection isn't just essential for healthcare and laboratory facilities, but can also be vital for recreational boating. Smells, harmful pathogens, and close-quarter threats can ruin a luxury outing, but SteraMist® disinfection can help ensure smooth sailing.

Utilizing ionized Hydrogen Peroxide (iHP™) - a non-caustic, chlorine and bleach-free fog - SteraMist® products and iHP® Service can effectively disinfect transportation or facilities at any time.

Whether a routine or emergency disinfection, SteraMist® can be deployed at a moments notice to help you focus on enjoying seafaring fun and relaxation.

- The ultimate tool for elimination of bacteria & viruses such as **Staph, MRSA, Norovirus, H1N1, C. difficile, pseudomonas, and salmonella.***
- An effective broad-spectrum surface disinfectant.
- Goes above, beyond, under and around disinfecting sprays and wipes.

STERAMIST® IS THE SOLUTION
